Your Son, Cub Scouting, and You

As a parent, you want your son to grow up to be a person of worth, a self-reliant, dependable, and caring individual. Scouting has these same goals in mind for him. Since 1910 we've been weaving lifetime values into fun and educational activities designed to assist parents in strengthening character, developing good citizenship, and enhancing physical fitness and building self-esteem and ethical values in youth.

Imagine a program that can help your son learn, grow and mature while he is having fun. There are activities in which you and he can participate <u>together</u> with the rest of the family and get to know each other even better. This is exactly what Scouting is. Every activity gives <u>you and</u> your son the chance to discover and share together.

What does your son learn in Scouting? Well, it is a lot more than crafts, games and outdoor skills. All of the Cub Scout programs in which you and your son will participate are carefully designed to teach your son something he will use throughout his life. Here are just a few of the things your son will gain through Cub Scouting.

- A feeling of belonging to a positive and fun group of boys and caring adults.
- New social skills that will help him get along with others.
- Develop new mental skills from reading and writing, to planning and organizing.
- A greater understanding of other people and the world around him.
- * A system of "values" that will help him grow and make good decisions.
- * A concern and caring for people, and even opportunities to help others.
- * Self-confidence and stronger self-esteem.
- * A deeper relationship with his family and his family's spiritual foundation

With all the negative influences in today's society, Scouting provides your son with a positive peer group and a program that is fun and adventurous and helps him to "be prepared" to shape his own future.

Cub Scouting is fun! But it is fun with a purpose. Woven through all the fun is an inspired program that really works. Tried and proven methods are used that transfer traditional values, build character, and develop leadership skills--all in the context of fun and family togetherness.

Getting Started

- * Complete and turn in the Cub Scout application and registration fee to your leader.
- Carefully review this booklet so you know what Cub Scouting is all about and your son can get the most out of it.
- Purchase a Cub Scout Book now and begin doing the activities in it with your son.
- Find out what kind of activities your Cub Scout Pack is doing in the next few months, and put them on your calendar so you can participate. Once registered you will be emailed updates on activities or you can always find out what's going on via the Event Calendar on the website http://cspack218.scoutlander.com (You must have your invite email)
- Scouting is more fun with friends! Every boy can be a Cub Scout at any time, not just on School Night. Talk with other parents and boys and have them join your son's Cub Scout Den now to make Cub Scouting even more fun. Your son will be recognized as a "recruiter" and will be recognized by the Pack if he recruits a friend to join.
- * Consider being a Cub Scout leader for your son's Cub Scout den. Your son's experience in Cub Scouting <u>depends</u> on your involvement. Details are on the following pages.
- Purchase a Cub Scout Uniform for your son to wear his awards on. Be sure to get a size large enough to last several years as your son grows. Visit the Golden-Burke Scout Center (7125 Fall Creek Road North) or shop online at www.scoutstuff.org for all of your uniform needs and more.

How Cub Scouting Works

Scouting is Family Oriented

- Activities are intended for the whole family.
- You work with your son on his various award requirements.
- Many skills he will learn are family oriented.

Your son is a member of a Cub Scout Den

- * The Den meets up to twice a month.
- The den is led by a Den Leader (parent volunteer).
- The den leader is usually assisted by an Assistant Den Leader (parent volunteer).
- Den meetings have games, crafts, songs, ceremonies, and lots of fun.

Your son is a member of a Cub Scout Pack

- The "pack" consists of all the dens and other leaders. The pack meets once a month - all Cub Scout families are invited and encouraged to attend.
- The Cubmaster and Asst. Cubmasters lead the monthly pack meeting.
- The pack meeting is the climax of the month's den meetings and activities.
- Pack meetings have games, skits, stunts, songs, ceremonies and presentations of awards that the boys have earned that month.

The pack is run by a Pack Committee (group of parent volunteers).

The pack committee is made up of a Chartered Organization Representative, Committee Chair, Treasure, Cubmaster, Den Leaders, Event Chairs and many other positions. Most of these leaders are parents of boys in the pack. All leaders and interested parents are encouraged to attend.

- The committee meets once a month.
- The committee plans pack meetings around the monthly theme (core value).
- The committee plans events, organizes volunteers and has fun!
- The committee selects leaders, performs record keeping, manages pack finances, orders awards, maintains pack equipment, helps train leaders, and recognizes leaders.

The pack is owned by a Chartering Organization

- Charter organizations include education centers, parent associations, religious organizations, service clubs, and other groups interested in youth.
- The chartered organization approves leaders, provides a meeting place, and operates the pack within the guidelines and policies of the chartered organization and the Boy Scouts of America.
- The chartered organization selects a Chartered Organization Representative who serves as a liaison between the pack and the organization. The Chartered Organization appoints and approves of the adult leadership group that leads the pack.

"How much does it Cost?"

Registration / Application Fee: The Registration / Application Fee that we collect 100% goes to BSA. BSA currently charges \$2.75 / month for registration. In addition there is a \$1 fee for insurance for the pack. This makes the 12 month registration fee \$34.00. New scouts that Register in August will add an additional \$13.75 to cover registration from August - December. Also included in your Registration is an additional Advancement fees that pays for your scouts belt loops and achievements and rank advancement.

Pack Dues: Currently the Pack chargers a minimal fee of \$8 dollars to the pack. This supprts the pack to cover supplies for pack meetings and to cover the cost of the crossover needs. We are currently reviewing our Pack Dues and Needs each year.

Advancements: See the Attached Scouting Breadown chart located in the back of this packet. Each scouting year has a little different required advancement awards. Since these prices vary your overall registration cost will vary from year to year.

Re-charter Fee: Every November the pack re-charters, which means we pay a BSA fee to Crossroads of America. This fee includes the \$34 your scout pays at registration and covers a 12 month registration cost. This also includes the necessary insurance we are required to have with BSA. In order to be prepared for these November fees we collect the Registration Fee in August at our Pack Meeting.

Individual Activity Charges: We have adopted a pay as you go process. This means we will collect funds for each activity before they happen.

Scouting Class A Uniforms: Can be purchased at the Scout Shop

Class B Shirts: For many of our events, when a full uniform isn't practical, but we still want to be identified as cub scouts, we encourage the boys to wear "class B" scout t-shirts. These shirts can be ordered at pack meetings for \$15

The Best News: We will participate in at least two fundraisers throughout the year. When we achieve our goals it helps keep scouting affordable. For some fundraisers the Pack Committee may elect to give the scouts a % of the proceeds to use toward some of their future expenses and activities. Many scouts have been able to camp for free or not need to pay out of pocket for some of their fees because of proceeds from fundraisers.

Fundraisers planned for this year:

Cub Scout Popcorn Sales (Main fundraiser)
Camp Cards (February to help pay for camp)

Tax Deductions: Most scouting items such as uniforms are tax deductible. Save all scouting receipts even for scouting events and activities. <u>Always</u> check with your tax advisor to see what can or can't be claimed.

The Advancement Plan

The responsibility of a boy's advancement in Cub Scouting lies with the family and not with the pack. Some advancement requirements are done at den meetings, but most are done at home with the family.

The Cub Scout Advancement program is an excellent way for you to spend quality time with your son. For each special skill or activity your son completes with you, you can sign off on one of the requirements he needs to earn his next award. As a result, the awards he earns increase his knowledge, skills, self-esteem and confidence. You can be a part of it by participating in the Cub Scout program with him. The rank awards he earns are listed below.

BOBCAT (Earned by ALL NEW Cub Scouts)

All boys, (1st - 5th grade), earn the Bobcat badge first by learning the Cub Scout Promise, Law of the Pack, handshake, salute, sign, motto, the child safety requirement and meaning of "Webelos." After receiving the Bobcat badge, the boy works on requirements based on his grade or age.

A 6 year old or a child in kindergarten (the year prior to first grade) joins Cub Scouting with their parent or adult guardian. Lions and their adult partners are just that, partners. They attend meetings together, go on adventures like field trips together, and complete requirements together. A Lion does not work on the Bobcat badge.

A 7 year old or child in the first grade joins Cub Scouting with their parent or adult guardian. Tigers and their adult partners are just that, partners. They attend meetings together, go on adventures like field trips together, and complete requirements together. A Tiger first works on earning the <u>Bobcat badge</u>. After completing the requirements for Bobcat they go on to complete the requirements for the Tiger rank and the many electives that are offered.

A child who is 8 years old or is in the second grade is a Wolf, and their adventures are found in the Wolf Handbook. Like all other new Cub Scouts, a Wolf must first earn the <u>Bobcat badge</u>. After completing the requirements for Bobcat they go on to complete the requirements for the Wolf rank.

A child who is 9 years old or is in the third grade is a Bear, and their adventures are found in the Bear Handbook. If a child is a new Cub Scout, they first earn the <u>Bobcat badge</u>. After completing the requirements for Bobcat they go on to complete the requirements for the Bear rank.

A child who is in the fourth or fifth grade is a Webelos Scout, and their adventures are found in the Webelos Handbook. If a child is a new Cub Scouts they first earn the Bobcat badge. After completing the requirements for Bobcat they go on to complete the requirements for the Webelos rank and then onto the Arrow of Light and the many electives that are offered. If a child joins in the fourth grade they earn the Webelos rank and then the Arrow of Light. If a child joins in the fifth grade they may start working on the Arrow of Light without earning the Webelos rank first.

The Webelos program is designed to prepare Cub Scouts to join a Scouts BSA Troop in February of their fifth grade year. This gives time for new Scouts to get familiar with the Troop and time to prepare for summer camp.

Bobcat Requirements for New Scouts

Please complete the following requirements to receive your Bobcat badge. Note that these requirements are described in more detail in front of your Cub Scout Handbook.

1. Scout Oath

On my honor I will do my best

To do my duty to God and my country

and to obey the Scout Law;

To help other people at all times;

To keep myself physically strong,

mentally awake, and morally straight.

2. Scout Law

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

3. The Cub Scout Sign

The Cub Scout sign is two fingers held high. It means you are ready to listen to Akela (say Ah-KAY-la). The Cub Scout sign is made with the right arm held high and straight up above the shoulder, with the index and middle fingers forming a V. The other fingers are held with the thumb. The two extended fingers stand for the Scout Oath and the Scout Law. They also stand for the two alert ears of a wolf. This is the sign of Cub Scouts all over the world.

4. Cub Scout Handshake

The handshake is done by putting the index and middle fingers of the right hand against the other person's wrist when shaking hands. Cub Scouts and Cub Scout leaders use this handshake everywhere in the United States. The handshake signifies that those who use it help others and obey the Scout Oath.

5. Cub Scout Motto

Do your best

6. Cub Scout Salute

The salute is made by joining the index and middle fingers of the right hand (holding the other fingers with the thumb) and touching the extended fingers to the cap visor or forehead. The hand is held the same as for the Cub Scout sign, except the two fingers are together. The Cub Scout salute is used to salute the flag when in uniform and to show respect to den and pack leaders. It can be used when greeting other Cub Scouts.

7. Child Protection Exercises

Please complete the exercises in the booklet: Youth Protection: How to Protect Your Children from Child Abuse. This is inside your handbook or you can borrow a copy from your Den leader.
