

## Wash Bin Station Directions

1. Scrap all left over food in trash bucket
2. Roll up your sleeves
3. Use **TUB A** for washing with a sponge
4. Use **TUB B** for rinsing (*Just dip in your dishes and go to Tub C*)
5. Use **TUB C** for sanitizing!
6. Place your wet dishes in your mesh bag and hang on line

TUB A

TUB B

TUB C

## Wash Bin Set Up Directions

Make sure each station has three bins, 1 sponge and a trash bucket

1. Collect warm water from kitchen and fill each bin half way
2. Squirt the Dawn into **TUB A** only (do not use a lot)
3. Place 1 Tablespoon of bleach into **TUB C**

## Wash Bin Dumping Directions

Must be followed in order

1. Empty trash bucket into trash bag
2. Empty TUB A into empty trash bucket
3. Empty TUB B into TUB A and then into trash bucket
4. Empty TUB C into TUB B and then TUB A and then into trash bucket
5. Carefully take trash bucket and empty it into drain in mop closet
6. Place all buckets face down leaning on each other to dry, leave sponge on table.
