5 Check with Camp for Fishing and local regulations if Fishing is available.

DO NOT PACK YOUR SCOUT UNIFORM! (Scout shirt especially!). Class A Uniform (from waist up) must be worn when traveling to and from camp.

Trunk/foot locker should be large enough to hold all these items, with a latch and lock of some kind.

It **IS NOT** recommended to have a heavy duty wooden or metal trunk due to weight.

It **STRONGLY SUGGESTED** that all paper supplies (Scout book, MB books, etc.), clothing & toiletries be placed in individual zip-lock bags to ensure they stay dry and/or keep OTHER items dry. Remember, we will be traveling from and items can be bounced around quite a bit during handling and can leak. Packing EVERYTHING in individual extra-large ziplock bags (All socks in one, all shirts in another, etc.) also makes sure everything stays dry and *bug-free* and helps keep the trunk organized.

DO NOT pack items in the trunk that will be needed during the travel day or at check in (Class A, spending money, medications, toiletries, travel clothes, etc.).

NOTE: Spending money and all medications must be turned into adult leaders before departure. All meds & funds will be dispensed at predetermined times by the Troop Leaders and/or Camp Staff.

No check list can ever allow for individual needs or circumstances, so please pack according to your requirements.

NO FOOD STUFFS, BEVERAGES OR SNACKS ARE TO PUT INTO ANY TRUNK AT ANY TIME!

ALL TRAVEL SNACKS MUST BE NUT FREE. INGREDIENTS ARE SUBJECT TO REVIEW & APPROVAL BY LEADERS. PLEASE BE COURTEOUS AND CHECK WITH THE DRIVER OF YOUR VEHICLE AS TO THE POLICY OF CONSUMING OF SNACKS & BEVERAGES WHILE TRAVELING.
